

The **Methodist** Church

Birmingham and Wolverhampton&Shrewsbury Districts

Invite you to join in an inspirational event

BUILDING VISION

on Saturday 15th May 2010, 10am - 4:30pm

at King Edward VI School, Handsworth, Birmingham B21 9AR

How can the Methodist Church be more effective in the community? How can we inspire people?

This “**Building Vision**” event brings together Church and community organisations to present alternative ways of worship and thought, and make valuable resources more widely available. We aim to build a vision of how we can work together, to inspire and benefit the communities in which we live and work.

There will be keynote speakers, workshops, seminars, and a “marketplace” of exhibits and resources. Church members, members of community organisations — everyone is welcome, including children! **You can attend, run a seminar, set up a “marketplace stall”**... where you can give away or sell resource materials.
