

The ONE Programme take a year on

Job Opportunity x2: One Programme Participants (OPPs)

One year part-time contract (September 2010 – August 2011)

Salary: £14,213 (pro rata) ... equivalent to approx. £7:81 per hour

Aged 16-23? Thinking of taking a year out?

Could you work for 15 hours a week – both nationally with the Methodist Church of Great Britain and with a local church project? These roles are flexible enough to fit around other commitments, such as college or a second job.

- Make a contribution to your local community
- Learn about yourself
- Meet other young people across the country doing similar things
- Enjoy a challenge

Opportunity One: The Centrepont Project is developing a long-term, ground-breaking youth and community engagement strategy for Wednesbury and the surrounding areas. The project has 3 key strands: Impact Youth Theatre, N-Gage Young People's Strategy and The Venue – a planned state of the art community building.

We are looking for a young adult to help shape the youth work at both Lea Brook Methodist and Hope Community Church – working alongside young people to determine their needs. The successful OPP will work with experienced youth workers in developing and delivering the work of the project.

Email work@impactcommunity.co.uk to request an application pack.

Opportunity Two: Y@SA is the rapidly growing youth work of St. Andrew's Church in Sedgeley, who are hoping to expand further by developing a 'hang out' space for local young people and establishing an innovative and informal discipleship course for young adults who want to know more about life's big questions and are looking for a safe place to discuss possible answers.

The successful OPP would play a very important role in shaping both these initiatives. Working alongside the church Children, Family and Youth Worker, the OPP would listen to what the town's young people want and then help to put that into practice.

Email emily.donovan@hotmail.co.uk to request an application pack.

Both roles will also involve an average of 6 hours a week working for the national Methodist Church. This will include travel, training and helping to plan important national youth events and initiatives.

For an informal chat about either post, or more information, call Lynne on 0777 2311815.

Closing date for application: 5pm on Monday 21st June 2010

Interview date: Thursday 1st or Friday 2nd July 2010
